## **NOTICE OF PENDENCY OF CLASS ACTION**

TO: PERSONS AND ENTITIES WHO HAVE PURCHASED, POSSESS OR OWN A BULLET PROOF VEST MANUFACTURED BY SECOND CHANCE BODY ARMOR, INC. WHICH CONTAINS ZYLON®, as more specifically described below.

IMPORTANT NOTICE: PLEASE READ THIS NOTICE CAREFULLY, AS IT MAY AFFECT YOUR LEGAL RIGHTS

### **THE LAWSUIT**

A lawsuit is pending in the above Court involving claims that bulletproof vests manufactured by Second Chance Body Armor, Inc. ("Second Chance"), which contain Zylon®, a fiber manufactured and sold by Toyobo Company, Ltd. ("Toyobo"), fail to meet the performance characteristics for which they were warranted ("The Lawsuit"). The Lawsuit further alleges that the vests are unfit for their intended purpose, and that information regarding the allegedly defective condition of the vests was withheld from the marketplace. These vests were sold by Second Chance and its distributors under the names Ultima, Ultimax and Triflex, and were sold to state and local governments, law enforcement officers and others.

Toyobo America, Inc. ("Toyobo America") and Oklahoma Police Supply are also named as defendants in the Lawsuit. Toyobo America, a subsidiary of Toyobo, is alleged to have participated in the manufacture and sale of Zylon®, and Oklahoma Police Supply is alleged to have sold some of the vests at issue. Toyobo, Toyobo America and Oklahoma Police Supply deny the allegations that have been made against them in the Lawsuit.

The Lawsuit is currently scheduled for trial beginning during the Court's August 1, 2005 through August 12, 2005 jury docket against Toyobo, Toyobo America and Oklahoma Police Supply only. The Court, under its inherent case management authority, has the right to change this trial date. The claims asserted against Second Chance cannot be pursued in this action because Second Chance filed for bankruptcy. Those claims are before the bankruptcy court and are not a part of this litigation.

### **THE CLASS CERTIFICATION ORDER**

In the Lawsuit, the Court was asked to certify the case as a class action as authorized under the Oklahoma Pleading Code. On February 9, 2005, the Court entered an Order Certifying Class Action With Findings of Fact And Conclusions of Law ("Certification Order"), finding that the requirements for a class action were met.

**The National Class:** The Court ruled that the Lawsuit shall proceed as a national class action on the breach of warranty claims on behalf of the following persons and entities (the "National Class"):

*All persons and entities in the United States and its territories, who have purchased, possess or own a bulletproof vest manufactured by Defendant Second Chance Body Armor, Inc., which contains Zylon®, a fiber manufactured and sold by Defendants Toyobo Company, Ltd., and Toyobo America, Inc. Excluded from the Class are Defendants; Defendants' affiliates, parents and subsidiaries; all directors, officers, agents, and employees of Defendants; any person or entity who timely opts out of this proceeding; and any claims belonging to the federal government. This class does not include or affect present or future personal injury claims.*

**Oklahoma Subclass:** In addition, the Court ruled that the Lawsuit shall proceed as a class action on behalf of the following persons and entities on claims alleging violations of Oklahoma's Consumer Protection Act, public nuisance, unjust enrichment and for punitive damages (the "Oklahoma Subclass"):

*All persons and entities in the State of Oklahoma who have purchased, possess or own a bullet proof vest manufactured by Defendant Second Chance Body Armor, Inc., which contains Zylon®, a fiber manufactured and sold by Defendants Toyobo Company, Ltd.,*

*and Toyobo America, Inc. Excluded from the Class are Defendants; Defendants' affiliates, parents and subsidiaries; all directors, officers, agents, and employees of Defendants; any person or entity who timely opts out of this proceeding; and any claims belonging to the federal government. This class does not include or affect present or future personal injury claims.*

Neither the National Class nor the Oklahoma Subclass is intended to include the authorized distributors of Second Chance who sold the subject vests.

If you purchased, possess or owned one of the subject vests, you are still a member of the National Class and/or Oklahoma Subclass even though you may no longer possess or own the vest; even though you may have participated in a vest exchange program with Second Chance; even though you may have obtained "performance pacs" from Second Chance; and even though you may have signed a release to Second Chance.

### CLASS REPRESENTATIVES & CLASS COUNSEL

In the Certification Order, the Court designated the named plaintiffs in the Lawsuit - Steven W. Lemmings and City of Pryor Creek, Oklahoma - as representatives of the Class ("Class Representatives").

In the Certification Order, the Court designated the following law firms and their attorneys to represent the plaintiff class in the Lawsuit ("Plaintiffs' Class Counsel"): Allan Kanner & Associates, P.L.L.C., Carr, Tabb, Pope & Freeman, LLP, The Drummond Law Firm, Aamodt & Tobey, and Elliott & Sherrer.
