**08 CRIM 1279**

COUNT ONE

The United States Attorney charges:

In or about December 2007, in the Southern District of New York and elsewhere, HAYTHAM KHALIL, the defendant, unlawfully, intentionally, and knowingly did access a computer without authorization and did exceed authorized access, and thereby did obtain information from a department and agency of the United States, to wit, KHALIL, while employed as a New York City Police Department ("NYPD") sergeant, accessed without authorization a computer system which contained information maintained by the Federal Bureau of Investigation, National Crime Information Center, obtained information regarding an individual listed on a terrorist watch list, and then disseminated that information to a third party.

(Title 18, United States Code, Section 1030(a)(2)(B).)
