If AELE needs to contact you, a Federal Communications Commission regulation requires vendors of products or services to obtain a signed authorization before transmitting a fax or calling a phone number that has been listed in the FCC's "Do Not Call" registry. By sending this form you authorize AELE to contact you on this request or transaction by (a) sending a fax at the above number, and/or (b) by sending an e-mail, and/or (c) by telephoning you at the above number.

Type in the information, print, and fax this form.
